Plumbing and Heating are vitally important in maintaining your family's health and comfort. Therefore, you'll find greater satisfaction and security when you buy Plumbing and Heating products from a skilled and recognized Plumbing and Heating dealer than from an unskilled clerk in a chain store—or from the silent pages of a mail-order catalog which is incapable of offering complete satisfaction and service.

# BATHROOM

*The Budget.* Smart, carefully matched styling and quality at a real old-fashioned price. A sparkling white, vitreous enameled *cast-iron tub*. (You'll know the difference between this tub and one of stamped steel); plus a snowy-white, stain-proof *vitreous china lavatory* with concealed overflow, and an efficiently operating *closet unit* with glossy, white seat. Tub comes equipped with heavy chrome-plated brass supply valves, spout, waste, and overflow. Lavatory is furnished with centerset faucet, outlet drain, trap and supplies, less legs. A real bargain bathroom!

# BUILT-IN KITCHENS

## WE CAN FURNISH COMPLETE KITCHENS

*The Countess.* Large, deep single bowl of sparkling enameled cast-iron. Acid-resistant, easy to clean. Comes equipped with chrome-plated deck faucet.

Formica countertops are ideal for the flat-rim sinks illustrated on this page. Formica can be obtained in a wide variety of patterns and colors.

*The Baroness.* Double Bowl, acid-resistant, enameled cast-iron sink with two roomy compartments for washing and rinsing. Adapted for use with either the deck or wall-type faucet.

## DOUBLE BOWL, FLAT RIM SINK

### For Built-In Convenience

*The Empress.* A rugged lifetime cast-iron sink that stands up under the most severe kitchen usage. Acid-resistant, with a heavy triple coat of enamel. Ledge-back for deck faucets insures against water leakage behind sink, which rots the wood when a regular sink is used. Can be furnished with 3- or 4-hole drillings. If you desire a built-in counter-top sink, you'll want the best—by NATIONAL.
